3 MEMORY MODES

Diy personal massage program according to different body shapes and requirements. When next time use the chair, press memory button to enter automatic memo modes and enjoy personal massage.

5 LEVELS OF MASSAGE WIDTH ADJUSTABLE

According to different body type, the back massage curve and shoulder position are automatically detected, and the massage range is adjusted according to different parts of the human body. When massaged under tapping and finger pressure, the massage width can be adjusted freely in the range of 3-21CM with 5 levels.

BACK-WAIST TWIST

It has a waist swing massage function: it uses the waist pressure to swing around to form a twist massage function, which relieves sedentary and causes waist muscle tension.

5 LEVELS OF MASSAGE SPEED ADJUSTABLE

According to different massage needs, the massage speed can be selected in 5 levels, freely adjust the massage speed, adjust your comfortable massage as you like, bring different massage experience, and exquisite strength to make you feel good.

SHOULDER ADJUSTING

The Shoulder special designed 3 grades humanity around regulatory function, about 14 CM, can satisfy different requirements of massage body height.

3 LEVELS OF AIR PRESSURE INTENSITY ADJUSTABLE

74 pcs airbags in total, 3 levels air pressure intensity adjustable, full relaxing feeling from your shoulders to feet.

CURVED RAIL

The backrest guide adopts the curved guide rail technology, which fully fits the curve of the back of the human body, and can enjoy the body massage from the head to the thigh.

ZERO SPACE

Unique designed one button slide can open the massage chair completely about 5cm against the wall. The sliding distance is 22cm, it saves a lot of space that traditional massage chair needs against the wall!

LEG STRETCH

The calf is equipped with the function of automatically detecting the length of the foot. When the calf is raised or lowered to a suitable angle, the calf will detect the length of foot and detect the most comfortable massage part.

ZERO GRAVITY

Zero gravity model means, the legs and torso at 118 degrees elevation, the location of thighs and calves are above the heart. The gravity of each body part will distribute average on massage chair to make pressure on body fully release.

THE EXPERIENCE OF BEING IN A CAPSULE

It features a blue sky treatment for starry sky

Space capsule cover that rotates up and down

WITH WORSHIP DEFINE OUTSTANDING REALM WITH HEALTHY ESCORT LEADING LIFE

Based on biomechanics, ergonomics and model physical therapy, aim to human skeletal characteristics, combine with zero power, zero space, longer curved rail massage, modern physics stretch with 74 air bags. It will bring you supreme massage experience when you at home, keep health and activity every day.
